

The Secret to Repeat Orders?

Happy Customers!

"I can honestly say that I have never used a lip product that has felt so wonderful or lasted so long on my lips. **My clients always re-order because of the outstanding quality.**"

—Timora

"My **customer was so excited** with your lip balm and the **vibrant colors**. They said the lip balm was a hit for the tradeshow."

—Monica

"I love your product. It is very **soft and smooth** to the touch and it moisturizes my lips. Plus, the lip balm stays on for a very long time."

—Elaine

In their own words...

"I have been **buying** from Natural Trends **for over 4 years** now...the most popular is the SPF Lip Balm. The ingredients they use keep the lips moist and do not dry them out. We do at least 30,000 lip balms a year and our **customers are very happy.**"

—Fran

"The feedback on your lip balm has been wonderful! I have had **rave reviews** from not only this customer but their customers as well. They constantly get calls about this product as it's the **best they ever used.**"

—Kris
